SISTERS UNITE

Our Under Age 40 Program

About Sisters Unite

Our Support Program Helps:

- To reduce feelings of isolation, anxiety, and distress
- You learn new ways of coping
- Increase feelings of hope and empowerment
- Provides you with practical information about treatment and resources
- You communicate better with your medical team and those closest to you

THE PROGRAM

RESOURCES

We have support groups and online resources to assist with understanding your diagnosis, treatment protocols, and other AYA (Adolescent & Young Adult) breast cancer concerns such as: fertility, child rearing, and survivorship plans.

CONNECTIONS

We foster an atmosphere conducive to connecting with other AYA breast cancer survivors for peer support through tele-support, chats, and virtual and live meetups.

ENROLLMENT

- To enroll in the program, you must first fill out a registration form.
- Be female and under age 40 at the time of breast cancer diagnosis.
- Be a resident of Los Angeles or Orange County.

You may enroll in person or inquire through our website 24/7 on our "contact us" page", using the subject line Sisters Unite and a registration form will be emailed to you.

ABOUT US

My Sister My Friend Breast Cancer Support is a grassroots, nonprofit 501(c)3 breast cancer survivorship organization. It was founded by four survivors post treatment. Their efforts were to make an impact by assisting women battling breast cancer within their community.

OUR SERVICES

Our additional services include:

Monthly support groups for women of all breast cancer types, stages, and ages during and post treatment.

Tele-support and virtual meetings

Pairing Partners to treatment appointments

Resource networking for wigs, transportation and apparel

She Speaks speaker's bureau

Educational Outreach

Field Trips and events for survivors, their caregivers and families.
