My Sister My Friend  
BREAST CANCER  
SUPPORT

## OUR HISTORY

My Sister My Friend Breast Cancer Support is a survivor run, grassroots nonprofit 501(c)3 breast cancer survivorship organization.

Originally formed as an affiliate chapter Sisters Network Inc. Later, becoming My Sister My Friend Breast Cancer Support. We have continued to provide direct services throughout Los Angeles County and Orange County.

## Our Role

Our Role is to provide resources and foster a nurturing support system in an atmosphere conducive to wholeness and well-being.

## SUPPORT GROUPS

### *Sisters Serving Sisters*

A diagnosis of breast cancer can be devastating. Women often feel isolated and alone.

Our monthly support groups cover topics of interest to survivors. Presentations are often given by healthcare professionals, community groups and other organizations. Many avail access to their services. Research studies and clinical trials" information may also be provided.

Our support groups are breast health and breast cancer specific. These services are free and open to the public regardless to where treatment is received.

If you or someone you know has been diagnosed with breast cancer, call us today. There is a Sisterfriend standing by to help.

## PAY IT FORWARD SUPPORT US

If you are looking to pay it forward support us:

- Host a fundraiser (Pink Party or Fashion Show)
- Becoming A Volunteer

We are often in need of volunteers to assist with support group meetings, educational outreach, and events.

- Partner With Us

We embrace partnerships with corporate, community groups, other agencies, and organizations.

- Donate Goods or Services

We support those in treatment with chemo kits. Donating items to aid with meeting basic needs. Donating service uplifts and enhances life's quality.

- Donate Cash

Financial support avails the opportunity to support those in treatment during with meeting basic needs.
